

Hazel Oak School Year 7 Catch Up Premium Plan 2018-2019

The Department for Education has made available additional funds for improving the attainment of our disadvantaged pupils, known as the Year 7 Catch-Up Premium. The funds are primarily aimed at improving maths and English levels at Key Stage 2. An allocation is made for every pupil who has not achieved a Level 4 in reading and/or writing at Key Stage 2 as per the October school census. This report summarises how we plan to spend the funding in 2018-2019.

Objectives

To support the attainment of pupils working below age related expectations and aid their progression into the secondary curriculum. When evaluating the impact of the premium we consider whether pupils have achieved or exceeded expected progress with reference to the Hazel Oak Performance Indicators (HOPIs) and our own target setting expectations

Year 7 Catch-Up Premium 2017-2018	
Total number of pupils on roll	13
Total number of pupils eligible for Year 7 Catch Up Grant	13
Amount of Year 7 Catch Up Grant received per pupil	500
Total amount of Year 7 Catch Up Grant received	6, 500

Resource/Strategy	Outcome	Cost Estimate
Purchase additional phonics, word and spelling programs on 'Nessy'; an app that offers dyslexia interventions with a suite of multisensory products aimed at making learning to read, write and spell fun.	Students will have increased access to multi-sensory and motivational i-pad activities designed to improve spelling, word and sentence level work.	338.22
Purchase Franklin SPQ-109 Collins Spellcheckers	Students' independence and motivation to write will be improved by the use of a digital spellchecker which phonetically corrects 180,000 words from the Collins Desktop Dictionary and includes word games and activities.	233.74
Purchase new i-pads and compatible handwriting pens	Students' fine motor and handwriting skills will be improved through more regular and motivational practise. Motivation for writing will increase as the pens can be used to note-take on i-pads and convert to typed text.	5724.00
Purchase 'Nessy Numbers'; designed to support children who struggle with mathematics.	Students will have increased access to multi-sensory and motivational i-pad activities designed to improve understanding in number	105.00
	Total Cost:	6, 401
